# Blessing

Oh God, as our children embark on another school year, we come before you with grateful hearts. We ask for your divine protection to surround them every day.

Watch over them as they journey to and from school, keeping them safe from the presence of danger. Lord, we pray for their physical safety, that accidents and illnesses may be far from them.

Bless their teachers and mentors with wisdom and patience to guide and nurture them. May our children be surrounded by a positive and nurturing educational environment.

We also ask for protection over their minds and hearts, Lord. Guard them from negative influences and peer pressure. Fill their hearts with courage and strength to face any challenges that come their way.

May they always remember that you are their refuge and strength. Lord, grant our children the discernment to make wise choices and determination to excel in their studies.

Help them grow in knowledge and understanding, and may they use their education to make a positive impact on Your world.

In Jesus name we pray.  
Amen
